

PADDING
50*50

COTTON
100%

To be laid on top of the mattress.

| Topper height: 6-7 CM.

1_ COVER

In 100% cotton, quilted in squares, with side frame, to ensure the blockage of the feathers and uniformity of the surface.

2_ PADDING

Padding in 50% goose down and 50% goose feather of European origin, highly breathable and very soft.

The use of the down topper guarantees an increase in elasticity, softness and comfort of the mattress surface. This important complement to the bed system promotes muscle relaxation and blood circulation, favouring a more restful and refreshing sleep.

50% FEATHER

50% DOWN

NOMITE CERTIFICATION: Ensures that the product is hypoallergenic and dust mite resistant (down feathers suitable for those with dust allergies).
